VCE & VET Programs 2008

These subjects run for the entire year. You are only able to do a single VCE or VET subject. Some subjects involve significant extra costs. Students interested in VET should have already registered with TY.

VCE
*Environmental Science History Accounting Biology Health & Human Development Design
 Wood IT Outdoor Education Design Food Legal Studies Physical Education
 Visual Communications Design Fabric Studio Art*

VET
*Automotive Building & Construction Community Services Concept Clothing & Design Equine
 Hairdressing Hospitality Music Music Industry*

Enrichment Programs 2008

*BANG Productions – involvement in the production of the 2009 Community Calendar (credit towards VCAL in VCE Enrolment).
 For further information see Ms Tacey or Mrs Plunkett.*

*Drama Group – if interested you would need to express your interest in writing and be available for audition later this year; both a
 theoretical and practical component would be involved in this course. For further information see Marney.*

★ Involvement in these groups would mean you would be unable to enrol in some of the electives offered in 2008; indicate your interest by ticking the relevant box.

*** ENGLISH, MATHS, SCIENCE, SOCIAL STUDIES AND HISTORY ARE COMPULSORY STUDIES, THEREFORE SELECTION OF THESE IS NOT NECESSARY**
