

Healesville High School

Visitor’s Policy

PURPOSE

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Healesville High School.

SCOPE

This policy outlines our school’s arrangements for visitors who attend school grounds when the school is open for instruction between the hours of 8.00am and 4.30pm, including parents, contractors and community members. Outside of these times, our front office is not staffed and this policy does not apply.

DEFINITIONS

Child-related work: As defined by the *Worker Screening Act 2020 (Vic)*, child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person’s duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

POLICY

Healesville High School strives to create an open and inclusive school community, and encourages parents and carers to be actively involved in their child’s development and education. We also strive to foster strong partnerships with local community services, schools and other organisations.

Healesville High School is not a public place. The principal has the authority to permit or deny entry to school grounds, and encourages all visitors to familiarise themselves with our school’s *Statement of Values and School Philosophy, Child Safety [and Wellbeing] Policy, Child Safety Code of Conduct and Volunteers Policy*. These can be found on our website.

From time to time, different members of the public may visit our school. Visitors may include, but are not limited to:

- Invited speakers, sessional instructors and others addressing learning and development

Invited speakers and presenters

On occasion, Healesville High School may invite external speakers or providers to deliver incursions, presentations, workshops and special programs for our students. Consistent with Department of Education and Training requirements, Healesville High School will:

- Ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives
- Ensure that any proposed visit, programs or content delivered by visitors complies with the requirement that education in Victorian government schools is secular and is consistent with the values of public education, Department policies and the *Education and Training Reform Act 2006* (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to:
 - elected government
 - the rule of law
 - equal rights for all before the law
 - freedom of religion, speech and association
 - the values of openness and tolerance
 - respect for the range of views held by students and their families.

Parent visitors

HHS – Visitor’s Policy

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child at school, during school hours.

If there is a particular pressing or unavoidable issue that cannot wait until the end of the school day, we ask that parents or carers call the school office to make the request to speak to or see their child during school hours.

We also ask that parents avoid arranging to visit their children at school wherever possible, as this can cause inappropriate disruptions to the school day.

All parents or carers who visit our school during school hours, other than for the purposes of school pick ups and drop offs or for specific school events (eg parent teacher interviews, concerts, assemblies etc), are required to sign in as a visitor at the school office.

Parents or carers who are prohibited from entering the school under a court order or direction of the Principal are not permitted to visit the school.

Other visitors

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school office upon arrival for instruction and follow the sign in procedure outlined above.
